Pennsylvania Council On Financial Literacy

Stock Market Competitions

Local, Regional and Statewide Competitions

Pennsylvania Council on Financial Literacy (PennCFL) is excited to announce the brand new **PennCFL Stock Market Challenge Program** from a world leader in financial simulations - StockTrak's Personal Finance Lab.

PennCFL sponsors local, regional, and statewide stock market competitions for public, private, and cyber schools. The stock market program teaches students how to invest in stocks, make stock market trades, analyze markets, and build stock market portfolios while competing with other students.

The stock market competitions are both fun and educational. They help elementary, middle, and high school students learn about the stock market and prepare them to succeed financially in their personal and professional lives. Our divisions include:

- Elementary School: Grades 3-6
- Middle School: Grades 7-8
- High School: Grades 9-12

We hold stock market competitions every fall and spring:

- Spring 2021: Feb. 15 - April 23, 2021
- Fall 2021: Oct 11 - Dec. 17, 2021
- Spring 2022: Feb 14 - April 22, 2022

PennCFL currently sponsors stock market competitions throughout Pennsylvania and holds local award ceremonies online to celebrate teacher and student successes with local businesses, colleges, and universities.
